

*If there is righteousness in the heart,
There will be beauty in the character.
If there is beauty in the character,
There will be harmony in the home.
When there is harmony in the home,
There will be order in the nation.
When there is order in the nation,
There will be peace in the world.*

Mission Statement

“Walk For Values” is a walk designed to raise awareness of Human Values and to promote individual and collective responsibility for the progress of humanity, one step at a time.

Vision Statement

A non-monetary, non-denominational event, this unique initiative, based on the five basic universal human values of Truth, Right Conduct, Peace, Love and Non-violence, is part of a global drive to seed human consciousness with timeless affirmations such as hope, kindness, patience and honesty, along with other positive values deemed integral to the sustenance and survival of mankind.

It calls for a honest self-examination from all its participants who identify areas of personal growth and pledge to practice associated values not only for self-transformation but collectively for social, environmental and global reformation.

This is a walkathon aimed at raising awareness of the importance of practicing positive values for the eradication of violence, crime, disrespect and greed in our society. The uniqueness of the event is that it is not a fund-raiser. Rather, each participant resolves to make the community richer by pledging a value of his or her choice. In this way, it is a “walk of love” aimed at making our community, one person at a time, richer in our commitment to human values as a first step towards raising our social conscience.

Join us for a 1.5 Mile Walk and Adopt a Value that you will practice as we celebrate the basic human values of Truth, Right-Conduct, Peace, Love and Non-violence.

In our current moral and economic crisis, it is evident that we need to renew and reapply basic human values in our lives. We are taking the first step in this exciting journey and invite you to come and experience the power of many people walking together for a common cause, and willing to lead by example.

Walk for Values USA is a free event organized by the Sathya Sai Baba Centers of Chicago land and Milwaukee, and it is open to everyone! You can walk as an individual or member of a group - be it family, school, workplace, community group, service organization or sporting team.
